New bus services for Northshore

New and changed Monday to Friday bus services for Northshore are starting as of 8th November 2021. These service improvements are part of the progressive public transport improvements for Northshore as the development continues and demand increases.

The number of bus routes servicing Northshore will increase from one to five through the re-routing or extending existing Monday to Friday services into Northshore. The bus services will be relevant to different parts of the Northshore community; including residents who commute into the city, workers who commute to Northshore, and undertaking local Northshore and Racecourse Road trips during the day.

Local Northshore and Racecourse Road trips during the day

The existing 304 service is to be re-routed to link Northshore with Racecourse Road Monday to Friday outside of peak. This will provide a public transport options for shopping, local appointments and catch ups with friends at cafes across Northshore and Racecourse Road. It will also provide links to other daytime bus services.
